## **EXPERIENCE**

Jr. Brand Designer

Fable Tech Labs Inc.

July 2021 - January 2022

- Created and adapted digital assets related to Fable's brand for the purposes of marketing, sales, and services.
- Art directed multiple illustration projects.

Freelance Graphic Designer / Illustrator

**Various Clients** 

January 2017 - Present

• Currently working independently on design solutions for clients with the goal of creating joyful, visually stimulating and conceptually driven work.

Graphic Designer (Contract)

Canada Goose

June - August 2020

• Brought the Canada Goose Virtual Global Conference to life visually by sourcing beautiful imagery and designing the layouts for 20 presentations.

February - April 2020

September - October 2019

September - October 2018

• For multiple seasons I was the Design Lead responsible for constructing all layouts of the printed Canada Goose Seasonal Product Knowledge sales books.

Product Design & Development Assistant

**Hudson's Bay Company** 

November 2018 - August 2019

- Assisted with the execution and development of Owned Brands products for Tabletop, Confectionery and Christmas assortments based on the overall brand essence and strategy.
- Communicated regularly with Global Sourcing, Packaging and Technical teams regarding all production issues and sample approvals.
- Curated line review presentations for senior management.
